⇒ GUSTS	18.0 kts
~ SEA	Slight
~ WAVES	0.5 m
🌡 AIR TEMP	27°C

The Day

Left the marina just after four with a steady westerly filling in. We reached across the bay on starboard tack, the boat heeled nicely and made over seven knots in the gusts.

Off Akko we tacked under the old sea walls, watched the sun drop behind Carmel, and came home on a broad reach under a sky turning orange and pink.
